Like most right-minded people, we never really cared about Halloween beyond giving the neighbour's kids some sweets and old fruit we didn't want anyway. And then we saw Sasha in her outfit, and we suddenly gave a fuck. How strange. Previously we only carved holes in pumpkins when we were feeling particularly desperate, but now she's got us all joining in. Designer JJ has come to work dressed as Sideshow Bob every day this month... ♣

Dear Club,
Several years ago I was involved in a relationship with a woman I had met whilst working for a nursing agency. I met this fabulous young woman whilst on a shift, she was vivacious, had the most incredible body, oozed sex, as it turned out was bisexual and had the sweetest-tasting shaven pussy. She shared a house with her mate who was also very attractive, it was a while before we got it on, but when we did it was incredible and only got dirtier.

One Saturday morning we were in her bed, naked, her large, firm were tits pressed against my chest. We started to kiss, my cock hardened as our tongues snaked around each other's mouth. I laid on my back and pulled Gillian onto my body so her breasts hung enticingly to my mouth and her shaven pussy was close to my hard cock. Gillian reached behind her stunning arse and gripped my cock and rubbed the head of it around her juicy pussy, then lowered herself onto my cock, the sensation was incredible as my cock eased up her pussy and filled her up.

She moaned with delight, but I had dirtier things on my mind as we rolled over and I pulled my cock out of her pussy and pushed it into her mouth, then put my tongue on her juicy lips and licked her out. Being the dirty bastard I am, I rubbed her tight brown arsehole with a finger, letting her pussy juices run over my finger before pushing it into her bumhole. She squealed as my finger stretched her tight hole and my tongue flicked over her swollen clit, her tongue worked my hard cock and felt so good.

I had to have that tight pussy. She turned over, her tight pussy oozing juices. I slid my cock into her soaking pussy, her fantastic arse in front of me. I pulled her cheeks apart and as soon as I saw her tight arsehole, I decided to fuck it. I lubed my thumb up, then I pushed it into her tight arse. She responded immediately by getting noisier and pushing back on both my cock and thumb. I knew that Gillian was a noisy lover, but she clearly was enjoying the sensation. I decided to push my luck and pulled my cock out of her pussy and rubbed it at the entrance to her tight arse, then slowly pushed and then her bum squeezed my cock as it invaded her bum.

She squealed and moaned, but instinctively started to pump my cock shaft, my balls bouncing off of her gorgeous pussy, the sensation was incredible. I tried to slow down but the sensation was so good as I pounded her arse. Gillian was getting louder and louder as she bucked under me, she came loudly and that sent me over the edge, pumping spunk into her tight arsehole. As we lay there she confessed that she liked anal sex, that was fine with me; unfortunately I was on a late shift and had to get ready for the shift and travel.

The following Monday I went to see Gillian after work. When I arrived she was in bed as she was on nights, so I jumped into her bed and as we cuddled I got hornier. Being the tease that she could be she sucked my cock but wouldn't let me cum. Unfortunately, time won and she got ready for work. As I was downstairs in the kitchen, her housemate Claire appeared in her dressing gown. As I made a cup of tea, she undid the gown, showing a gorgeous figure with matching white knickers and bra. Her nipples were hard and I could see a neatly trimmed pussy. She asked if I was coming back after I dropped Gillian off. As my cock stiffened, Claire went to her room and shut the door.

As I dropped Gillian off, I debated the issue. Then I drove back to the house and Claire was waiting for me with a glass of wine. As I dumped my kit, she ushered me into her bedroom, and on the bed was a tube of lube. She asked me if I had enjoyed Saturday morning fucking Gillian, because we had so much noise during sex Claier had been woken up, got horny and to relieve herself masturbated herself for a couple of hours.

I apologised but then she dropped her dressing gown, showing that figure. As we kissed she told me to do whatever I did to Gillian that day. I was naked in seconds, pushed her onto her back, pulled her knickers aside and gently licked her shaven pussy lips, sucked a finger and pushed it into her pussy. My tongue found her clit and teased it, Claire pulled off her panties and bra allowing me to suck her nipples, and as she groaned I slid my cock into her wet pussy.

She had a hot tight pussy that gripped my cock, plus she was a noisy girl and clearly horny. She got onto all fours and I pushed my cock back into her pussy. I pushed a finger up her arsehole and she began to buck and moan as she came. I pulled my cock out of her pussy and pushed it into her mouth and shot my cum into her mouth, she swallowed most of it, some of it

THE BOSS OF MOSS!

Dear Club,
When I see Vicki on the cover of Club – and showing us her pink bits inside – I wonder how all these supermodels and celebs can be so sniffy about showing us the goods. I mean, she's one of the fittest women I've ever seen, with the tightest body around, and yet she's totally naked. Are you telling me that Kate Moss is fitter? She's alright, but I'm reserving judgement until she's pulled a few pink shots in my favourite magazine.
Dave, Barnet

We've always thought that Kate Moss looked like a right filthy shag – you could bounce her about with ease and she might well like it in the incorrect hole – but you're right. She's not as fit as Vicki who, you'll be glad to hear, is all set to return to Club very soon. Why? Because she seems to give everyone a big bonk-on is why.

TWEET ONE OFF!

Dear Club,
I don't moan about Twitter because I'm one of those old-fashioned cunts who can't even turn on a smartphone, I moan about Twitter because, despite using it since it was invented, and following loads and loads of porn stars on it, I haven't got laid once. It's good fun, but I'm getting blue balls over it. Why can't Vicky Vette follow me? And then follow me back to my house and suck my dick?
Ian, Cumbria

Isn't that life, Ian? We've been photographing glamour models and porn stars for decades and we can count the amount of times we've got our dick wet in one of them on one of Jeremy Beadle's hands (RIP).

dribbling down her chin.

After we had recovered, she told me that she had heard everything the previous Saturday morning and that she wanted me to do the same to her. The thought of fucking Claire's arse made me hard, I told her what we had done whilst pushing her on her back, spreading her legs and licking her juicy pussy and arse. She was soaking as I turned her onto her side, lubed her bumhole and my cock, got into position and slid into her pussy.

She pulled my cock out of her pussy and put it on the entrance to her arsehole and then pushed back on me. Initially her ring resisted, however, as she relaxed I slipped in, gradually filling her up. Once I was up to my balls I remained still so Claire could get used to my hard cock in her butt. Slowly I pushed in and out, the sensations were amazing, Claire was close to orgasm and as we moved faster she came, bucking and moaning, her tight arse gripping my cock as I shot my load up her.

I stayed the night with Claire and had one more fuck in the morning as I had to leave at six. I never had the chance to get it together with Claire again, and after six months split up with Gillian, however even now I can remember the sensations and utterly rude sex we had.

All Mavis jokes are now banned...

When a 'hilarious' colleague saw these photos of Riley, he was quick to quip, "No relation to Mavis, I hope". As well as 1 point out of 10 for topicality, the joke doesn't even make sense. This girl is called Riley. It's not her surname, like Mavis Riley. That's like making a joke about a girl called Bailey and saying, "No relation to Gary Bailey, I hope."

Which is our long way of saying that we work with a bunch of absolute idiots, and the only thing that gets us through the day is looking at Riley's pink bits, her off-white bits, and her hint-of-brown bits. We thought we'd ring her up to ask her what she thought of the shitty Mavis Riley joke, but when we dialled the number she'd given us there was just a long tone. We thought there weren't enough digits in it. And ! isn't even a number. Oh well... ♣

JENERECTION X!♣

Jenny's from heaven...

Is it just us, or does new Brit-on-the-block Jenny look like she'd fuck you ragged? You'd be expecting a sunday morning quickie before watching *Cricket Writers on TV* and you'd end up drilling her insatiable fanny for hours on end, sweating like a stuck pig and leaning over the side of the bed to take crafty puffs on an inhaler.

In fact, we'd go so far as to say that Jenny would wear out the hardiest man among us. Even the champion of *Total Wipeout*, if he's reading. After wearing your cock to mince she'd shrug and mutter something like, 'is that all you've got?' And because it absolutely is all you've got, you'd then have to bend over and take it from her with a strap-on as she pegged you to the bed like the endlessly horny fuckmuffin she clearly is.

Obviously we haven't met or spoken to Jenny yet, but we like to think that, courtesy of these pictures, we've got her number. And she's got ours – we're not man enough for her! ♣

CLUB'S ROUGH GUIDE TO...

WORLD SERIES BASEBALL

FEATURING TWO TEAMS OF NINE PLAYERS HAVING A FEW NICE GAMES OF BAT AND BALL, SURELY THE WORLD SERIES MUST BE THE MOST SIMPLISTIC MAJOR SPORTING EVENT ON THE CALENDAR! MATT LOXHAM BEGS TO DIFFER...

EXPLAINED...

Considering that it involves 29 teams from the US and one from Canada, you might wonder why the annual Major League Baseball end of season decider is called the 'World' Series. Well, apparently it's because Major League Baseball attracts all the most talented players from across the globe, which makes it the 'de facto' world championship. Or, at least, that's what the yanks say, anyway. I'm surprised they even let the Canadians join in.

The number of games the World Series is contested over has changed over the years – it's currently the best of seven – but it does always take place across late-October and early-November, which is why the series is sometimes referred to as the Fall Classic.

Essentially a head-to-head between the winner of the American League and the winner of the National League, the two separate bodies that make up the Major League, which each comprise of three divisions, East, Central and West – are you still with me? – the World Series is designed to find out which team is the best of the bunch, albeit using one of the most convoluted qualifying structures imaginable.

Just getting to the end of a normal baseball season is an achievement in itself. A regular Major League campaign is currently a mammoth 162 games long, and then the four teams from each league who qualify from their divisions – the three winners and a 'wildcard' – must thrash it out over two 'postseason' playoff series to decide who will go on to contest the big one.

Just to complicate matters further, the American and National Leagues have slightly different interpretations of the game, the main one being that the American League has a 'designated hitter' in that another player can be brought in to bat instead of the pitcher, with the home team getting the call on which set of rules are played in each game. Honestly, whoever ever said hitting a ball with a big wooden stick had to be easy? Certainly not the Americans, that's for sure...

HISTORY

The World Series has been the method of choice for deciding the overall Major League victors since 1903, when the then feuding American and National Leagues decided to bury the hatchet and organise an end of season match-up between their respective champions.

Except in 1904, when there was a management boycott due to a dispute over rules, and in 1995, when most of that season was cancelled because of a player strike, the World Series has taken place ever since, and become an American institution in the process.

Indeed, it's a remarkably enduring beast, and amazingly the World Series went ahead during both World Wars, the Great Depression of the 1930s, and it even survived an earthquake in one of the host cities in 1989.

For the record, the first ever winners were the Boston Americans, who upset the odds to defeat the Pittsburgh Pirates of the then supposedly superior National League by five games to three.

The most successful team by far over the years are the American League's New York Yankees, who have played in 40 of the 105 World Series and won 27. The second best, the St. Louis Cardinals from the rival National League, have featured in 17 and won 10.

Although the road to the World Series can be long and occasionally tedious, and the games themselves are often very drawn out, baseball's ultimate series has over the years produced plenty of thrills, spills, controversy, and incredible individual performances from some of the best players ever to lift a bat or field a ball.

LEGENDS

BABE RUTH

Frequently referred to as the greatest baseball player of all time, and considered by many to be the first athlete whose fame transcended that of their sport, George Herman Ruth is certainly worthy of the legend tag.

Nicknamed 'Babe' whilst a fresh-faced teenager at his first team, the Baltimore Orioles, Ruth struggled early in his career and was sold to the Boston Red Sox, where he eventually established himself as their lead pitcher. However, it wasn't until he was transferred to the Yankees in 1919 and switched to being a right-fielder that he really began to shine with the bat.

Famed for his slugging – Ruth once smashed his way to 60 home runs in one season, which remained a Major League record until 1961, and racked up 714 during his 21 year career, which was a record until 1974 – Babe is credited with generating the huge upsurge in interest in the sport of the early 1920s, with his big-hitting style and famously bad temper pulling in the crowds.

Ruth won seven World Series championships in total during his career – an incredible feat for an awesome player.

WILLIE MAYS

While Babe Ruth was the king of the sluggers, Alabama all-rounder Willie Mays was a jack-of-all-trades, and pretty much a master of them all, too. After not being considered good enough by the Boston Braves and the Brooklyn Dodgers, the New York Giants took a punt on him, and Mays repaid them with a disastrous no hits from his first 12 'at bats'.

Happily for Mays, he clobbered a home run on his thirteenth, and went on to win 'Rookie of the Year' that season, the first of many

Ken Griffey Junior eyes up a distant greenhouse...

"Hello, I'm Babe Ruth, and I was very good at baseball."

awards that would come his way during a 22-year career, including numerous Most Valuable Player gongs and 12 Golden Gloves, an award given for outstanding catching and fielding.

After completing his national service in the US Army, Mays returned to the New York Giants in 1954, and slugged 41 home runs that season, helping them make the World Series in the process. Indeed, it would be an event during game one of the Series that would become the most memorable moment of his season – if not his career. Simply referred to as 'The catch', Mays somehow managed to clutch a long hit to the outfield over his shoulder to save two runs and set up victory for the Giants.

KEN GRIFFEY JUNIOR

One of the most prolific home run hitters in the history of baseball, smashing 630 in a 22-year career, and a hugely talented and athletic fielder famed for his diving catches to boot, Ken Griffey Junior is rated as one of the best players to have graced the modern era of baseball. He made his debut in 1989 for the Seattle Mariners, and spent a very successful spell of just over a decade there, before choosing to join his hometown club, the Cincinnati Reds.

After a brief stint with the Chicago White Sox in 2008, the following year Griffey Jnr. returned to his beloved Mariners for a season, before finally deciding to hang up his bat for good.

His home run record and ability in the field is considered all the more impressive in that he achieved it whilst remaining 'steroid free' in an era in which abuse of the drug was seemingly rife.

CONTROVERSY!

Gambling and game-fixing had been a problem in professional baseball right from the outset, and the issue came to a head in 1919 when eight players of the Chicago White Sox were found guilty of conspiring to throw that year's World Series against the Cincinnati Reds in an episode referred to as the Black Sox Scandal.

White Sox first-baseman Chick Gandil, in collaboration with gambler Joseph 'Sport' Sullivan, approached his teammates and persuaded seven of them to help implement the 'fix', in return for which they would receive a share of $100,000.

The White Sox, who, incidentally, were the red-hot favourites, duly lost the series 5-3 after making a raft of dreadful errors, to the extent that immediately following the final game there was a huge public and media outcry, with many accusing the Sox of outright 'ineptitude'.

An official inquiry was subsequently launched into the affair, and the eight players implicated all received life bans, including the legendary 'Shoeless' Joe Jackson, whose participation in the scandal is still disputed to this day as he had the highest batting average out of both teams across the entire series.

In the years after the incident and subsequent bans, the Chicago White Sox endured a massive slump, and, indeed, it took them until 2005 to win a World Series.

THE 2010 WORLD SERIES

With 146 games played of what is truly a marathon season, several teams are still in with a great chance of making the World Series shebang. In the American League East last year's champions the New York Yankees are enjoying a ding-dong battle with the Tampa Bay Rays, and the Boston Red Sox are just about hanging onto their coattails. The Central and West are more clear-cut, with the Minnesota Twins and the Texas Rangers looking very hot favourites to reach the post-season playoffs.

The National League picture is a little more complicated. The Philadelphia Phillies and the Atlanta Braves are vying for top-spot in the East, the Cincinnati Reds and the St. Louis Cardinals in the Central, and there's triple trouble in the West, which currently has the San Diego Padres, the San Francisco Giants and the Colorado Rockies battling to top the shop.

Naturally, with their record the Yankees are the favourites, but a recent drubbing by the Texas Rangers has thrown this season's World Series wide open... ♣

TVX MARKS THE SLOT!

Club rocks up at TVX's 15th anniversary party. Drinks champagne. Ogles boobs. Departs happy…

Team *Club* doesn't turn down too many invites. That's because we only get out twice a year, and we have to make the most of it by disgracing ourselves utterly. Thus it was we wiped the vomit from our last good pair of shoes, put on some 'posh' jeans and swung by Television X's 15th birthday party at London's Café De Paris in August.

Often 'industry' parties are attended solely by creepy looking blokes with beards and leisurewear from the 70's. This wasn't that party. Everywhere you turned were the stars, sluts and studs of TVX's shows, past and present. Angel Long, AKA the girl who gives *Club* a permanent bonk-on? Yep. Blonde, bone-tempting bombshells Syren Sexton and Harmony Hex? Yes, they ignored us too. Lots of other sorts who we pestered to flash their boobs? We think so, the champagne had kicked in by then.

Big up to TVX for the invite – those dudes and dudettes really know how to party. Here's to another 15… ♣

Let's just leave it at 'underdressed'.

The Stepford Wives get sexy!

Sasha's Secrets

Every month, Club's sensational regular girl Sasha will act out your fantasies. She's not shy – write to her and tell her exactly what you want her to do. Who knows, you might be lucky enough to get Britain's fittest lass juicing up over your letter and then making it come to life. Oh, and she gets even dirtier online, where we've got the pics we can't show you in the mag!

Sasha

I was in New York last year for Halloween, and I was amazed at how seriously those guys take it. The streets were packed with people dressed up. So I thought I'd share the sexy Halloween outfit I bought over there with you. I might not be a real witch, but I definitely have lots of wicked thoughts, and if I visited your door in this outfit, there'd be treats in store, and I'd show you some of my tricks as well. I really hope Halloween gets bigger over here, just so I can dress up and feel up some strangers in the street. Who knows, it could be you I'm casting my spell on. Is that a broomstick, or are you just pleased to see me? ♣

Dear Sasha

My name is Nicky, I just bought this months edition of *Club International* and saw the pictures of you looking so hot. I noticed you said you'd like any *Club* readers to write in to you suggesting what they would like to see you dressed up in or doing. I would very much like to see you wearing some sort of latex outfit with high boots, smoking some long cigarettes. I've seen your smoking video online and it made me really horny. I couldn't stop imagining you in tight latex smoking. If you are able to do this I would appreciate it as I think a lot of other readers would as well. Being a dedicated *Club* reader it would make my day.
Nicky

I must admit I'm partial to a crafty fag, even if they do cost a fortune these days! Guys go mad for smoking girls, maybe it's the old Hollywood glamour thing. I'd love to do that, but there's something I'd much rather smoke on instead, if you know what I mean Nicky!

Dear Sasha

Congratulations on your new job. You are the perfect girl for the part. I have a few ideas for you if, as you say, you want to make us all wank like crazy for you. Firstly, let us know that you know we're wanking and encourage us – that is always a turn-on. How about introducing Sasha's wanking hour, say between 11 and 12 every Thursday night so that you'll know that there will be loads of spunk shot for you at that time. I have already paid tribute to your beauty several times and look forward to spunking up for you agai and again so please help us by demanding more spunk! Good luck.
Eddie, London

Eddie, your letter got me so horny I've kept some of it private for me to wank to. I love the idea of Sasha's wanking hour, and I want you to know that when you're pulling your cocks and shooting that lovely jizz for me, I'll be fingering my pussy at the same time! X

KEYS PARTY! ♣

...and we're all invited!

Many porn stars, over the years, have been 'blessed' with names that pun on those of celebrities. Who could forget Doomy Moore or Dru Berrymore? And then there are those named because of their supposed similarity in appearance to celebs. Jennifer Stone does have a passing resemblance to Jennifer Aniston, we have to say. But that's as nothing compared to the likeness between Aneta Keys and sexy songstress Alicia Keys. Yes, we just used the phrase 'sexy songstress'.

Only, while Alicia is content to sit in the middle of a stadium plonking the ivories and releasing one good song every 2 albums, Aneta is more into sucking and fucking pricks on film. Alicia likes to collaborate with the cream of the world's bland musicians, while Aneta like to collaborate with sexy birds and men with lob-ons that could cut a diamond. Which is better? Well, we asked Aneta if she'd like to swap places. Her answer? "I'd like her money and fame, but I bet I get better sex than she ever will, so I'll stick here thanks." Good girl. ♣

Where we look back at the cock-slurpers who hung up their chaps...

No. 2 – JILL KELLY

Blonde Californian cock-slurper Jill Kelly spent 16 glorious years in the adult biz as an actress, director and producer, appearing in over 600 films and directing nearly 50. If you do the math(s), that's an awful lot of cock and pussy she's had her mouth, twat and anus wrapped around, so it's fair enough the 39-year-old hangs up her lingerie. Kelly's career began in the early 90s, as she started out stripping in clubs in Ontario, California (her first gig as a stripper saw her getting fired for being underage at 15-years-old, using fake ID), and it wasn't long before the movies came a-knockin'. Jill did what any aspiring starlet of the time did – increased her fried egg-tits to a pair of basketballs, and she soon became a big name in the biz, mainly starring in feature pornos. Kelly's lovelife during this time was pretty tumultuous. Her ex-hubby, Cal Jammer, committed suicide in front of her house when she went off to make hardcore films without him, and she had flings with girls (P.J. Sparxx) and boys (Eric Price) in the biz without settling down. And while her company Jill Kelly Productions had a rockin' start in the late 90s, by the mid-2000s it had gone bankrupt. And Jill scuttled off the scene. Where is she now? No clue. A comeback is unlikely, but at least she left us with 600 films to wank at.

BIRD OFF THE BOIL

YOU WOULD, WOULDN'T YOU? OR WOULD YOU?

THIS MONTH: Nicole Kidman

She's been around the block a bit, little Nicole from Down Under. Starting out in *BMX Bandits* way back in the early eighties, shacking up with that crackpot Scientologist, getting her peachy ass out in a few films (*Malice*, *Eyes Wide Shut*), acting a bit prissy and bonkers herself from time to time, and never once in any photograph ever looking genuinely happy. She was gorgeous, no doubt about it, but you always got the sense Kidman might be a little highly strung. Actually, a fucking lot highly strung. And now she's resorting to surgery to keep her fragile, milky-white looks, she's just starting to look a little bit mannequin-esque. Yeah, yeah, I still WOULD, and so would you, but she's not the catch she used to be. Even before Thomas Mapother IV ruined her.

We'd glue those Eyes Wide Shut.

Come and follow me on Twitter: @popshotculture I want to share my nasty little world with you...

NEWS OF THE SCREWS

YOUR MONTHLY ROUND-UP OF THE BIG STORIES IN THE PORN BIZ

Maggie Gyllenhal Diddles Herself

She was happy to disrobe and act all saucy in cult favourite *Secretary*, and didn't mind posing in skimpies for an advertising campaign for Agent Provocateur, so we're assuming that Maggie Gyllenhal's role as co-inventor of the vibrator in upcoming movie *Hysteria* will see her plunging a dildo between her legs and bucking wildly for camera. Well, we can but hope. Gyllenhal stars as the daughter of an inventor who, along with her scientist boyfriend, accidentally develop the world's first battery operated vibro, which begins its existence as a machine designed to cure women of their hysteria. Expect screaming, wailing and probably no close-ups of Gyllenhal's vagina. Probably.

Anna Paquin Hands Out Free Porn

Porn parodies are as all the rage now as they were twenty years ago (remember *Edward Penishands*?) so when shooting wrapped on the latest series of the superb fangbanger show *True Blood* (which is probably showing on FX roundabout now) the show's pert-titted lead actress Anna Paquin handed out DVDs of *Tru: A XXX Parody* as a gift to cast and crew members. Yep, the show has its own porn parody, and instead of blood getting sploshed around everywhere, it's salty jizz instead. Paquin admitted on a late-night talk show that she probably bought every copy of the DVD in existence, and all we can hope is that she gave herself a little diddle while she watched it. Please, Lord, let that be true. And please let someone have filmed it so we can watch it.

THE BIT ABOUT BABES WHO LOVE TO BLOG...

Kerry Louise is a fucking crackpot. A fucking crackpot with big tits that are just begging to be spunked over, for sure, but one look at the random outbursts on her Twitter feed and you'll be wiping up that spunk and making a sharp exit before she drags you and her handbag-mutt Charlie down to Asda for a big shop. She tweets a lot, replies regularly to her followers (but doesn't mind letting rip at them if they piss her off), and (best of all) has no problem posting photos of herself in the nude, sometimes with bits of what looks like spunk (but could well be egg white, I guess) on those enormo funbags. Let's take a little look at a selection of tweets from a two-day period back at the beginning of September...

"Note to self. Bloodshot eyes are not attractive"

"Pls let me wake up 1stone lighter. Thank you x"

"wooo i can fckin multi taskkkk"

"Joy. Been kicked outta iceland and kwik tan wiv Charlie"

"Y do ppl change wen they get with some1. Tht person likes u for who u r stop tryin to change!"

"Watching sex and the city makes me want to get married x"

"I've actually decided I don't want my boobs any bigger. Random tweet but hey thts meeee"

"Sometimes u have to give something ur all to no if its worth it. Sometimes u get hurt. Its a learning curve"

"My fave pink ring which I never take off has decided to b too

So, she communicates in a text-speaky language that's borderline unintelligible, she has boobs the size of Tesco bags packed to the brim (with melons), and she's a filthbucket. Chances are this magazine is still hanging in the air, cartoon-like, from where you've dashed off to a PC to start following her at *www.twitter.com/kerrylouisexxx*, isn't it?

Top Five...

Sexy Gingers

Which Duracell-topped tartlets get your boner frothy?

5: Lindsay Lohan
The jail-hopping ex-child star is bisexual, fond of parties, and not afraid to waltz about in skimpies. In other words, she's the fucking ideal woman. And on top of that she's got a lustrous mane of tumbling carroty hair, and probably has the same downstairs (if you get my meaning). Yowzers!

4: Emily Da Vinci
This diminutive porn poppet has a tomboy charm and reserves of gloopy spit, which comes in usual when she's burying a load of cock up her throat. She's also the owner of two perky tits and a cute-as-buggery hairdo. Lovely.

3: Karen Gillan
When Dr Who got a new copper-topped assistant this year, the world and his mum were up in arms about her being 'too sexy'. Oxymorons. When things this sexy come along, there's no 'too' about it.

2: Faye Reagan
Another porn star with hair you could scrape your saucepans with, Ms Reagan is a slutty little minx and has the puffiest nips you've seen for quite some time. She's cute and brattish. All the more so for her freckles and rusty roof.

1: Christina Hendricks
Owner of the finest pair of massive breasts ever to appear on TV as well as the sexiest wiggly walk, Christina plays the incomparable office manager Joan Holloway in the brilliant show *Mad Men*. Watch her sweet hourglass figure and you'll never tease a ginger kid again.

TRUDGING THROUGH THE WORLD'S SEX TRIVIA SO YOU DON'T HAVE TO...

The smallest erect penis on record was just 1cm long (and no, it wasn't mine, haha, thank you very much)

A man will ejaculate approximately 30 pints of semen, containing half a trillion sperm, in his lifetime (erm, I have a feeling I used that up in my teens)

Three out of a thousand men (0.3%) are well endowed enough to suck their own dicks (yeah, and I'm one of 'em, honest)

Among all the primates, man has the largest and thickest penis (so screw you, chimps!)

Lacie LaCinema Classic HD

Klipsch iGroove SXT

Dell Streak

Lacie LaCinema Classic HD
£190
www.lacie.com

Fair play to Lacie, they haven't rested on their laurels. They could have continued to master their corner of the market – pricey but reliable and stylish external storage – but as last month's speakers and this month's LaCinema prove, they're masters of all trades.

As media streaming devices go, this is pretty snazzy looking. Imagine you had the bachelor pad from the old Memorex adverts and you'd be looking good with this.

The basic unit has 1TB of storage, and plays full 1080p HDTV, which is lovely if your telly can handle it. Simply plug it into your computer, copy the files over, the plug it into your telly. It's format friendly but, not unusually, our sample had a few issues with Apple's clunky one. Still, in today's downloadable times, this is a great product.

Pros: Big storage, great quality.

Cons: Some Apple friendly formats won't work.

Klipsch iGroove SXT
£130
www.klipsch.com

Factoring in the cost of your iPod, iPhone or strangely non-Apple music player, the expense you can accrue in picking up a fancy schmancy music dock can be pretty exorbitant. I mean, some of those Bose pieces look the bollocks, and I'm sure they sound good too, but how good can you sound when you're streaming a shitty rip from an iPod? Those fellas (and ladies, presumably) at Klipsch aim for a more affordable pricepoint, and deliver docks that do exactly what you want unless you live in some kind of giant batcave. Want good quality sound at a decent volume while you do the washing up? This is for you.

Pros: Does the job very well at a very decent price.

Cons: Not brilliant outdoors or in vast halls.

Dell Streak
£429
www.dell.com

The instant and stunning success of the iPad – despite its many failings – means that all the tech companies are looking to fashion an iPad killer all of a sudden.

The Dell Streak, for all the good things about it, is fatally hamstrung by the fact that it straddles too many stools. It's not really a phone, it's not really a tablet. It's somewhere in the middle.

That said, the screen is lovely, and browsing the internet is a real pleasure. It works well as a camera, but then it's let down by the music player. Expect Dell to refine the Streak in future models, because while this is a step in the right direction, it's still neither one thing or the other and that's not enough to really challenge Apple.

Pros: Chunky but funky. Good screen.

Cons: Comes with built-in identity crisis. ♣

FANNY FARM!

Jodie's a barnstormer. Ok, not really...

Farm girl Jodie looks to us like she'd be up for a roll in the hay. We'd like to give her a cowpoke. We'd...

"Jeez, where do you guys come up with this shit?" asks the 21-year-old Nebraskan, not unreasonably. "I've never worked on a farm in my life. I work in public relations. This place just happens to be just outside the town I live in."

Oh. Sorry. We had all sorts of farm-related jokes lined up.

"Were you going to use the hoe/ho one? I hope not."

Er, no. Course not. But we were going to say something about 'emptying our bails all over you'.

"Fuck. You guys are corny with the jokes. Don't you want to talk about my juicy pussy and perky tits instead? This is the world's premier porn mag, is it not? Talk about how I love it in the ass, which I do, by the way."

Okay, we'll do that. But tell us, can you drive a tractor? ♣

NAME: Kerri **AGE:** 26
FAVE SEX: Hard and long.
WHAT'S SHE LIKE? She's the complete maneater!

WHY DID YOU WANT TO APPEAR IN CLUB INTERNATIONAL?
I love this section – real life women showing you their sexy bits!

YOUR BITS ARE VERY SEXY.
Thanks. I don't think I'm *Club* cover material just yet, but like to think I make up for that with my rampant sexuality.

HOW RAMPANT IS RAMPANT?
What do you think? I'm a twice-a-day girl, and if I can get it more than that, I will. I like to think my eyes and body communicate the fact I love a good time.

OH, THEY DO. SO, IS THIS A ONE OFF, OR ARE WE GOING TO SEE YOU AGAIN?
I'm thinking of doing a porno with a really good British director. I'm single at the moment – I'm not a readers' girlfriend right now – so I've no problem getting some fresh cock in name of art!

AND YOUR ON-SCREEN SPECIALITY?
Oh, riding on top, definitely. I'm a very energetic and pretty fit girl, and I think I can ride any porn stud until he can't take any more. But then again, I'm happy to be proved wrong by some bloke with a big dick, big balls, big stamina and a big load of cum to spray all over my tits! ♣

ALBUM REVIEWS

TINCHY STRYDER
Third Strike (Island)
These days you have to be down with the kids to survive on the streets and shoutin' 'Tinchy Stryder' could get you out of some tricky situations with youths and maybe even a cheeky finger with one of their girlfriends. Either way, this will teach you all the latest lingo in grime land.

JAMIROQUAI
Rock Dust Light Star (Mercury)
Fair play to the bloke – he spent a long time shaggin' Denise Van Outen and driving fast cars so why bother making another album? He's better off on a beach somewhere with 2 or 3 young blondes playing 'Ip dip dog shit' to see who sucks him off next.

THE WALKMEN
Lisbon (Bella Union)
If you want to shag fit indie girls you need to familiarise yourself with really cool bands like this NYC quintet. Go to a rock 'n' roll club, ask for *The Rat* (their biggest tune), strut your stuff and don't wear shades 'cos you'll look a twat. Hopefully you'll wake up with Kate Moss on your bell-end.

BELLE & SEBASTIAN
Write About Love (Rough Trade)
If you like hairy fannys and girls who smell a bit then head down to the nearest art college with a copy of B & S's 8th album of melodic pop. By the time you've got to track no. 3 you'll be jamming paint brushes and 2B pencils inside them – performance art at its best.

ASH
A-Z Vol. 2 (Atomic Hearts Records)
Ash used to be great, then went semi-naff, and have now gone full circle and are decent again. If you're young, love punk pop, and enjoy cumming all over the faces of girls, then get this on your iPod and enjoy.

CHIEF OF THE BEDROOM

CLUB CHATS TO CHIEF BASSIST AND ALL ROUND GOOD GUY, MIKE MOONVES...

What other jobs have you done?
The only job I've had other than band stuff was working as a counsellor at a sleepaway camp. I was there with my girlfriend but she felt too weird about fucking whilst at the camp. Even on the last night when the counsellors could all get loose, we were drunk as fuck and found an empty cabin but she was still too uncomfortable to get wild. Let's just say we weren't together by the next summer.

What is the most random thing that has ever happened to you?
When I was a senior in high school, my class went on a school trip. I had broken up with my girlfriend a few months earlier and started low key hooking up with another girl at school. On this trip, my ex and I kind of got back together but had to sneak around at night to sleep with each other to avoid the teachers. One night as I was sneaking back to my room, this other girl at my school that I'd been hooking up with was standing in her doorway in her pj's. She asked me if I wanted to come in. Falling over drunk, I denied her. Still regret it to this day.

Biggest fuck up to date?
Dropping out of school. At least in terms of what the people around me thought. My own personal fuck up was probably going to school in the first place.

Ever been in bother with the police?
I was in Paris the summer after I graduated. It was Bastille Day and we were all shit faced and running through the streets with bottles of whiskey in our hands. We decided it would be wise to break all the bottles and just as we did we saw a police van pull up with about 4 French police officers in it. They threw us onto the hood of the van and started speaking French at a crazy pace. None of us knew a word but we ended up talking some sense into these guys. We said goodbye with handshakes and laughs and ran home like little schoolgirls.

Where have you been that you absolutely loved?
Amsterdam. As an avid believer in the medicinal purposes of weed, it was exhilarating to finally enter a town that fully supported it. My friends and I took advantage of the privilege and had a fantastic time. Also the mushrooms out there are phenomenal.

What sort of women do you go for?
I'm into brunette girls for the most part. In terms of girls I'm actually interested in, they've got to be real sweethearts and have a cuteness about them. Hot girls aren't the girls you want to stay with for longer than a night because they generally know how hot they are and that'll end up biting you in the ass if you look like me. And they should be funny or at least have a sense of humour. I think it was Artie Lange that said, "The only guys that get laid less than fat guys are serious fat guys."

Most random place you've had sex?
I was at a wild new year's party a few years ago at a beach house. My girl was shit-faced and pulled me into the bathroom. There were people bangin' on the door as we were going at it and by the time we'd finished there were about 10 angry people in line. We hit the beach right before midnight and I think she started throwing up about a minute after.

Favourite red light district?
The only red light district I've been to was in Amsterdam. So I guess that's my favourite. Definitely took advantage of that as well.

Got any little fetishes?
I've got a thing for smooth skin, lips and English girls. I also can't help but love black chicks.

Ever been caught having a wank?
Thankfully not. I'm very low key about the wank sessions.

Shaven or bushy?
I prefer a bush personally. Shaven is something I don't mind but I prefer at least a hint of something down there. Landing strip is ideal.

Got a story that involves fingering?.
Earlier tonight I was fingering a girl in a jacuzzi whilst it was packed with people. No one knew that we were even touching each other.

Cheers Mike. Keep on fingering! The debut album Modern Rituals is out now on Domino Records.
Thanks to the Leeds Festival for this interview.

ON THE GAME

DEAD RISING 2

(Capcom)

PS3, Xbox 360, PC

★★★★

Most sequels are content to just deliver more of the same, and often that's what the gamer really wants anyway – just with better graphics. Reinventing *Dead Rising* was always going to be hard, and thus this sequel cleaves so closely to the original that it's unlikely to lose any hardcore fans, or gain too many new ones. They have based it around a new character, Chuck Greene, who arrives in Fortune City to compete in game show *Terror is Reality*, desperate to win big to pay for his daughter's zombie vaccine. He's got 72 hours to survive the hordes, and he can look after himself or try to save others. Packed with the familiar mix of weird weapons, humour and shitloads of zombies, *Dead Rising 2* is more of the good, undead stuff.

FIFA 11

(EA Sports)

PS3 , Xbox 360, PC, Wii, PS2, DS, PSP

★★★★

If EA Sports were releasing the latest update to their flagship football game in a couple of months, how likely do you think it would be that Wayne Rooney would still be on the cover? Unfortunately there's no option in the game to indulge in a threesome, but fortunately there's the recently brilliant, *Pro Evo*-beating gameplay to enjoy. They have to trumpet an innovation to justify the incremental gameplay changes, and this year's is Personality+, which claims to use a database to help distinguish between the players, meaning Kaka plays like Kaka and Iniesta like Iniesta. Sadly, Lee Cattermole will still be a fouling dolt.

TWO WORLDS II

(Southpeak Games)

Xbox 360, PS3, PC

★★★

When a game receives as many average reviews as the original *Two Worlds*, it's going some to get a sequel. But then that's testament to the thirst for role-playing games in the *Elder Scrolls* vein, and while *Two Worlds* was as buggy as hell, it still sold enough units. The sequel is a big improvement, the developers claiming to have listened to a stack of user feedback. In truth, it doesn't deviate much from the original, it just does what it tried to do without cocking it up. Magic, questing, levelling up – if you've visited Games Workshop more than twice in your life, you'll love it.

HOW TO FUCK GOOD NAKED!

I have to admit I just might be the horniest man alive. Every moment of my day revolves around envisioning new ways to get some pussy. My obsession with women is so bad that I actually gave up a six-figure income job to work as a clothing stylist at a department store in London. There I get to play dress-up with bored housewives that have nothing better to do than to blow their husband's money on the slutty and overpriced clothes I recommend for them.

Just the other day I had this ridiculously hot Asian girl try on a leather miniskirt that showed off her shapely calves and a matching blazer that perfectly enhanced the look of her perky tits. I fawned all over her and she loved every bit of the attention. Right as I was about to make my move and get her out of the skirt and into a pair of silk knickers, she chickened out and left. "Nice try," she said as she grabbed her new clothes and bounced out of the room.

Although that fish swam away, I had no idea that my luck was about to change. Just as she walked out an even hotter blonde came waltzing in. She looked like a fucking doll wearing a hot pink skirt that barely covered the curve of her arse, and a paper-thin blouse that showed off her rock hard nipples that were jutting through the expensive fabric.

To my delight she walked right over to the lingerie section. Hot on her heels I asked, "May I help fit you into this little number?" I held up a red satin corset with garter straps and matching pants.

"Yes, as long as I get to try these on as well," she replied, holding up a pair of Cuban heeled stockings with a red line running up the back of the leg. I couldn't believe it, this girl was hot and horny for some hardcore action and I was just the man to give it to her.

I glanced around to see if anybody was watching. When the coast was clear I placed the woman in front of me and cupped my hands over her rack to check the size of her incredible breasts. "Ahh, a perfect C-cup!" I complimented her.

"Okay, and what about my pants size?" she purred. Thanking my lucky stars, I dipped my fingers into her hot mouth to moisten them up with her sweet saliva. Once wet, I walked my fingers up the inside of her thighs until I could literally feel the heat radiating from her pussy. As my fingers got closer I felt trickles of cunt gloss. This little slut wasn't wearing any knickers! Finally, she spread her legs open and I sunk my middle finger inside her wet hole.

"Would you like more personalised service?" I

asked, popping two more fingers into her twat, which felt ridiculously tight. "Let's step into my office." With that I escorted her into an empty dressing room. As soon as we got inside, the girl fell to her knees and started chomping on my dick like a stray cat gnawing on a chicken bone. "Easy, sweetheart!" I groaned, as her tight throat squeezed down on the head of my rigid cock.

After a few moments she eased up just a bit and treated my meat to an awesome marinating session that included loads of spit. As I rolled my head back in sheer delight, I felt a slight tightening of my churning balls. When I looked down I saw she was tying the Cuban-heeled stocking around my balls. At this point I didn't mind – I was more than happy to be her little bitch. Just as my cock felt like bursting, I lifted up her skirt and wedged my cock so far up her cunt that her feet momentarily lifted off the ground.

"I stuck my hand in my pants, brought it up and began to smear his mouth with my sticky juices"

"Harder!" she gasped, reaching her hands underneath to give the stockings around my balls a firm tug. This was all I could stand. Although I wanted to fuck her in several more positions I could feel the cum start to surge up. After a few more strokes I came so hard I blasted her chute with scalding cum. Fuck, I love my job…

STUDENT UNION!

I met Martin at a student party. When his obnoxious, drunk mate – well, one of many! – spilled beer on my top, Martin took me to his room to find a T-shirt to wear instead. He was trying so hard not to check out my drenched 36Fs, that I jiggled them right at him and then peeled my top off. My bra was wet too so I unhooked that.

The poor bloke was blushing and stammering, which I found really adorable. I moved forward, backed him up against the door and started to snog him, grinding my rack against his chest. He kissed me back, hands resting on my hips, so I guided them up, let him cop a feel of my boobs.

He was a real tit man and obviously knew how to handle a pair. Meanwhile, I stroked my way down toward his zip – and gasped in disbelief as my hand connected with his dick. He was rock hard – no surprises there – and fucking huge! I kept on kissing him and stroking it through his jeans, but I was desperate to see it close up. I tried to kiss my way down, but he didn't want to let go of my tits. I tried another tactic. I stuck my own hand in my pants, brought it up and began to smear his mouth with my sticky juices, letting him suck them off of my fingers. Then I slathered more on my naked breasts, painting shiny rings around my nipples.

He sucked on them and I backed over to the bed, wriggling out of my pants before laying down and spreading yet more juices over my cleavage. "I'll get them nice and wet so you can fuck them, okay?" I breathed. Finally, I got to see his big dick. He walked toward me, stroking it. Then, as he straddled my body, I took over, spit-wetting my palms, then stroking it, hand over hand, hearing him groan as I skimmed his helmet.

He told me my boobs were the biggest he'd ever seen in the flesh, let alone played with. But his cock was big enough to look impressive jammed between them. I'd only given a couple of titfucks before, and then only as foreplay, but I just listened for Martin's groans, kneading them around his shaft, hearing the damp, sticky noises as he thrust in and out. And he still kept thrusting as the juices rubbed off of my skin, and the friction built. I could see the head of his prick pop out between the top of my boobs, oh-so suckable, but I let him do his thing, moaning as he grabbed my tits and caressed my tingling nipples.

When he gasped that he was cumming, I just shoved my tits hard together, let him fuck himself to a climax. I felt the first spurt deep between them, and then let them spring apart, hand poised to wank him over them. It seemed like he'd never stop cumming. I got sprayed and splattered with his jizz then, just as I thought I'd drained his balls, another stroke or squeeze would draw out a few more drops. Eventually, he was spent but even then he used his reddened helmet to smear and spread it over every last inch of tit.

When he got hard again, I said my pussy needed a dick inside of it now. I laid back, splayed myself and wanked him as he got in between my thighs, touching him up against my wet slit to tease him. Then I slid him down to my cunt opening, and put him inside of me. I began to play with my own tits, but he moved my hands away. He wanted to see them quake as he slammed into me. First he took it slow, pulling almost totally out of me before thrusting forward, full force. Then he waited for the tremors to die away before doing it over again.

He couldn't keep in control for long, though, and soon he was fucking me hard and fast, crotch slapping up against mine, watching my boobs bounce wildly. I told him to cum for me, to fill my cunt with spunk. "Not yet…" he groaned and so I did my party trick, pulling a nipple up to my mouth and sucking on it. My head spun as I tasted his salty spunk off of it,

and his hips locked as he shot another load, inside of me this time. We rejoined the party, but not for long. There was way too much we still wanted to do with each other…

NASTY NORKS!

I was partying with a bunch of friends when suddenly a beautiful girl – a little tipsy and a little loud – started complaining how her boyfriend always bought the wrong-sized lingerie for her. Bras always too tight, knickers

always too big.

"Maybe I'm saying you've got a big arse," her boyfriend joked. Then another guy chimed in, saying he could tell just by looking what size bra a girl wore. Some of the girls called him on it, and he was pretty good – no more than one cup size out, and dead on with most of his estimates. Then, to a chorus of laughs, they told him to guess my size.

I'm petite in height, but my tits are a 36GG, all natural. He told me to stop jiggling them so he could focus, then said maybe he'd need to feel them, just to be sure. "Go for it," I dared him, saying he'd better get it right now. Well, he got the 36 but said I was an F. When I said GG, he pretended not to believe me, so I showed him the label in my bra.

That got the other guys baying for me to show them my tits. No problem. I wasn't even drunk, I just love flashing my tits! I jiggled them again, and some fella bet I couldn't suck on my own nipples.

Another easy win for me. I raised my boobs up to my mouth and got sucking – both tits in turn to prove my point. Then some guy said he bet I couldn't suck his spunk off of them. Couldn't or wouldn't? I told him to get wanking. He looked surprised but didn't waste any time, pulling his dick out of his shorts and stroking it stiff. "And you?" I asked, pointing to another bloke. "I always figured you'd have a huge cock."

"By the time they'd drained their nuts, my boobs were swimming in thick, pearly jizz"

He seemed kind of shocked, then flattered, and it turned out I was right. Now I had two big cocks being pulled off towards my boobs. I told them not to be shy, to rub up against them, and soon more guys were joining in. I can't even say how many in total.

The fourth bloke to join in was the first to jizz all over my orbs, and he was immediately replaced by someone else, who was already stroking in the next row. One more squeezed in and as soon as someone came, there was always another guy to take his spot.

The first big splat of spunk felt so warm on my boobs and had barely cooled when I took the next. Finally, the first man, Mr. Size Expert, couldn't hold back any longer, and by the time he and then Mr. Big Dick had drained their nuts, my boobs were swimming in thick, pearly jizz.

One of the other girls who didn't seem to like me being the centre of attention came over and began dipping her fingers in the cum, and licking them. It was a night for dares and so I invited her to lap it up directly off of my tits. She gave me a nasty smile, pouted her lips and took a few delicate, kitty-cat licks. Then she just rammed her face in between my boobs, cupping and kneading them around it. Then she and a girlfriend made out, their kisses wetter from the mess.

A few of the blokes went to watch them, but now Mr. Big Dick grabbed me for a kiss. I got a round of applause as I followed him upstairs, and as we petted he played with my tits. I wanted some of his beautiful big dick and I wasn't caressing it for long before his hand was in between my thighs, finding out just how wet all the tit-play had gotten me. I laid him on the bed then sat on him, with his dick along my slit, getting soaked root to tip.

It was my intention to guide it into my fanny, but as I felt it touch up to my arsehole, I eased it in there instead. I'd done anal before, but never with a dick as big as this – but once he was plugging me and playing with my clit, I couldn't stop cumming. And he was the luckiest guy alive – face in between my humungous rack and dick wedged in the crack of my arse while we fucked ourselves to a spunk-soaked climax…

THE LARRY SANDERS SHOW – THE COMPLETE FIRST SEASON (MEDIUMRARE ENTERTAINMENT £29.99)

Long, long overdue on DVD in Europe – the Americans got as far as releasing Season 1 on Region 1 several years ago and then stopped with a squeal of the brakes – this classic, oft-overlooked ingot of TV gold can now be appreciated properly. For years, BBC 2 dicked around with this and fellow slice of American genius *Seinfeld*, moving them through the night schedules so, in the days before Sky+, it was pot luck if you found an episode. Often shows described as 'hugely influential' aren't much fun themselves, but this is a brilliant dissection of television, the egos that surround it, and skewers celebrity with unerring accuracy. Garry Shandling stars as Larry Sanders, talk show host and deeply flawed human being, with stellar support from Jeffrey Tambor, the peerless Rip Torn and dozens of celebrities playing themselves. Watch closely for future stars like Sarah Silverman, Jon Stewart and Hodges out of *CSI* popping us as well. Hopefully we'll finally get season 2 in the near future as well. No flipping.

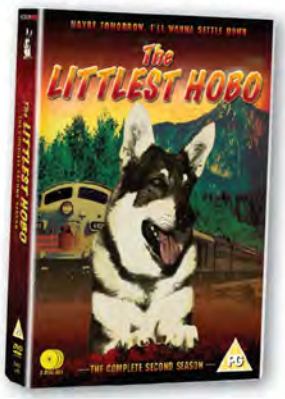
★★★★★

We've got three copies of The Larry Sanders Show to give away. To win one, simply write to the *Club* address, or email *clubint@paulraymond.com* with 'No Flipping' as the subject.

THE LITTLEST HOBO SEASON 1 & 2

(MEDIUMRARE ENTERTAINMENT, £24.99 EACH)

Originally running from 1963-1965, the version of *The Littlest Hobo* that most people are familiar with is the reboot that ran from the late 70's to the mid 80's. With its haunting theme tune – *Maybe Tomorrow* by Terry Bush – and its nameless dog who unerringly got into adventures every week, it was a family favourite. You can still find it on cable channels at ungodly hours, but these first two seasons are out now on DVD, and we can look back wistfully on what is still an enjoyable show. Wisely, the dog's back story is never filled out, his motivations for wandering unexplained. Also, we reckon he could kick Lassie's arse.



★★★★

We've got two copies of *The Littlest Hobo Season 2* to give away. To win one, simply write to the *Club* address, or email *clubint@paulraymond.com* with 'Screw You, Lassie' as the subject.

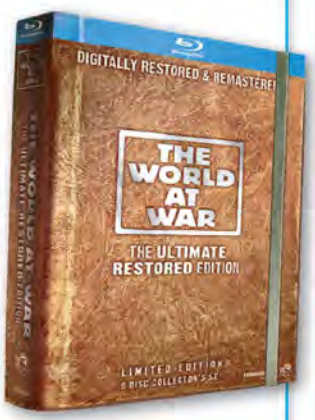
The World at War in HD
(Fremantle Home Entertainment. Blu-ray £99.99, DVD £79.99)



A landmark TV masterpiece, the magisterial *The World at War* is a must-have. Repeat viewing does not dull its edge, nor diminish its sweep and scope. But this release is pretty controversial. The restoration is fine and the enhanced sound brings it to life for modern TV set-ups. But the decision to change the aspect ratio from 4:3 to 16:9 for widescreen TV's (why not just make that an option?) has the purists up in arms. To a degree, they've got a point, but if you haven't see this before, and you're starting your Blu-ray library, you really won't notice the difference.Magnificent.
★★★★★

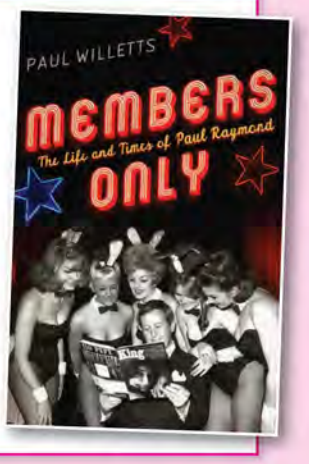
The Horde
(Momentum Pictures £15.99)

Those Frenchies are loving their horror films at the moment, although how they escape from zombies on those shonky bicycles with onions around their neck escapes us. Directing duo Dahan and Rocher deliver a zombie-fest with a huge body count, and the PR description of it as *Assault on Precinct 13* meets *Dawn of the Dead* does the journo's job for him, as it's very accurate, even if this isn't in the same league as either of those classics. But for a Friday night popcorn film, this'll do nicely.
★★★

Star Wars: The Clone Wars Season 2
(Lucasfilm Ltd./Warner Home Video DVD £39.99 Blu-ray £49.99)

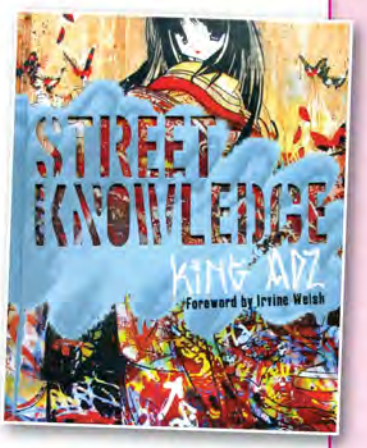
As most real *Star Wars* fans will have tuned out the second Jar Jar Binks reared his stupid head in the second trilogy of movies, it's easy to have overlooked the pleasures of *Clone Wars*. But put aside the fact that it's aimed at a younger demographic and there's no Luke, Leia etc. and there's still great *Star Wars* pleasure to be derived. Well animated, well acted, and with plenty of intense battles and, most importantly, some Boba Fett thrown in, the 500 minutes of *Clone Wars* here will keep both you and your kids happy. ★★★★

Members Only: The Life and Times of Paul Raymond – Paul Willetts (Serpents Tail, £14.99)



Those of us who worked for Paul Raymond rarely got to see him. He dropped in only occasionally, a fleeting presence. But the stories were legion. This book focuses on the myth as much as the man, teasing out some nice tales from his music-hall roots, his reinvention of both the sex industry and himself, and reeks of Soho before it became home to frozen yogurt shops. It's sketchy on the magazine era, and there are a few errors of both fact and names, so while this is a nice primer of the life of the man himself, the definitive book on adult publishing in the UK remains to be written. ★★★

Street Knowledge – King Adz
(Harper Collins £20)



The title of this book is misleading to say the least. You might expect hardcore graffiti all the way, but if you told most real graf writers that this book was full of graffiti, they'd spray paint in your eyes. While much of the work here might be influenced by graf, most of it is art. And, really, what do David LaChapelle, Tama Janovitz, Tony Kaye and The KLF have to do with the street? And an Irvine Welsh introduction? Do me a favour. Middle class pish.
★★

The Mile High Club – Edited by Rachel Kramer Bussel (Cleis Press £11.99)

The Mile High Club – everyone talks about it, nobody's done it. Although a friend of mine once did doink a stranger on a plane, so fair play to him. But most flights are too cramped and uncomfortable to foster erotic thoughts, and Ryanair would probably want to charge you for chucking your muck at 80,000 feet. This collection of sex stories redefines unexceptional, and while we'd be happy to print some of them, occasionally the writing is at a Dan Brown level: "The underwear was La Perla and underneath was a pearl of a pussy". Our readers do better every issue.

The place to be for the world's dirtiest backdoor sex stories. Starfish troopers only...

MILF BOTTLE!

Two men in their early twenties recently moved into the flat below mine. I'm in my early forties and so, I thought, way too old for them. Then, one day, as I walked down the stairs, I overheard Darren say my name then add, "You know – the super-MILF!" followed by a snigger from Tom.

I was flattered, not offended – I even had a couple of colleagues ask if I'd got lucky last night, it gave me such a glow. No, I thought, but maybe tonight I would. When I got home, I dropped a note through their door. "Beers at my place tonight – super-MILF xxx." Then I put on my sexiest lingerie, under a robe, and waited.

My pussy was so juiced up, I almost grabbed my sex toys and did myself. Then I jumped as I heard the doorbell ring. Heart pounding, I opened the door to the guys. I didn't actually have any beer to offer them – whoops! But Tom went to the off licence, while Darren and I kicked off the fun.

I got him naked but didn't touch his cock till his mate returned. It was straining so hard I thought just waving at it might get him off. But that's how younger men are – I'd forgotten how stiff they can get. Now I wrapped my mouth around his meat, hands working his balls, and while he groaned, he held back easily enough.

Tom seemed shyer, kept asking me stuff like could he touch my fanny, or would I prefer him to eat me. He even called me "Mrs"! I told him, "Don't ask, just do it. I can take it."

Be careful what you wish for... As I moaned and slobbered over Darren's thick meat, I felt Tom pull my skimpy knickers to one side, then lick up from my pussy to eat my arsehole. He was salivating on it, then I felt him sink a couple of fingers inside. "Lube, in the bedside table," I told him, shuddering in anticipation as he squirted half the tube on my tight hole.

His fingers plugged away inside of me, as I gobbled Darren's dick. Then he pulled them out and I felt his cock bump up against my tightest hole. "Done much anal?" I asked him.

"Yes," he said. He seemed a little nervous, took a couple pushes to get in my arse. But then he fucked me slow and deep, and as I reached a hand to my twat to frig my clit, I felt my bum instantly tighten even more around his shaft. He groaned, and I rubbed a little faster, making myself cum again.

All this gave Darren a break, but now I intensified the sucking again. He moaned at me to ease off, as he didn't want to cum too soon, but any time I let up, it was only for a few seconds. He had his hand on the back of my head anyway, moving my face on and off of his cock.

I got a different taste from him now, knew he was right on the edge, and a little more suction and some more tonguing tipped him over. The jizz shot out, his tight balls pulsing, and I just let it collect in my mouth.

I showed him, then looked backward to show Tom my big mouthful, using my fingers to pull strings of it out. Then I threw back my head – squirming my arse against Tom's crotch – and swallowed. Tom slammed into me, two, three more times and then exploded inside of my bumhole.

Both guys watched, Darren squeezing my cheeks, as the cum trickled out of my arsehole and down onto my slit. Darren was soon hard again, and this time I wanted a dick in my pussy. Then, when Tom was good to go again, I started sucking him.

We had fun switching positions. I love being spooned, even missionary when there's an extra cock in my face. But best of all I liked straddling Darren's prick, riding it hard as I could, while I deepthroated Tom's dick.

He's a tall guy, and so it was almost like oral piledriver, me with my head tilted back, opening up my throat so I could suck his dick right down to the root. I rubbed his nuts up against my chin, and he was so deep that when he came, I didn't even need to swallow.

Next, Darren made me cum and seemed so pleased about it – well, I guess girls their age aren't quite as orgasmic as women of mine! And, as his stiff pole pumped his spunk deep in my cunt, I figured that being super-MILF is actually great. Especially when I've got two downstairs neighbours to fuck my arse any time I need it!

TOYS FROM BRAZIL!

Life as an entertainment journalist is not all that it's cracked up to be. On the surface it would appear that I have a jet set lifestyle packed with fabulous parties, but in truth I spend most of my time alone with my cats writing about the glamorous escapades of others. My only break comes during my summer holiday when I get to escape from reality and pretend to be somebody else for a number of days.

This year my vacation brought me to Brazil, the land of sexy tan lines, supermodels and beaches more stunning than anything that can be found in my home town. On the long airplane ride across the Atlantic I devised a whole new identity for myself. Once I hit the ground I would shed my shy nerdishness and become a sexy swinger with a penchant for Latina labia!

My overt confidence worked and in no time I had gorgeous women fawning all over me. It also didn't hurt that I walked around the streets of Sao Paulo wearing a miniskirt that showed off the curve of my arse and a bikini top that had my plump tits spilling out temptingly.

One afternoon I hopped into a taxi and headed off to the beach. As soon as I set up my towel on the warm sand, I saw two gorgeous girls hiking over the rocky cliff. They looked good enough to eat, wearing cut-off shorts and scraps of material tied together to form makeshift tops.

As soon as I got their attention I reached my hand into my purse and pulled out my favourite vibrator. I opened my legs in their direction and started to dart the toy in and out of my wet slit. To my surprise, my first orgasm came after only a few strokes. I cocked my head back to savour my orgasmic wave and was pleasantly surprised to find both girls right at my side when I opened my eyes again.

"I felt my bum instantly tighten even more around his shaft..."

I looked up and smiled, grabbing one of the girls by the hair and guiding her face into my dripping wet snatch. "Lick it up," I sighed, watching her puffy lips suck and funnel my cunt skin into her mouth. She followed orders well and I loved it!

The other girl knelt alongside me and pulled off my bikini top. She chose to bite her way around my thick nipples, leaving a trail of pink lipstick marks around my skin. Her kisses felt warm and invigorating. She stayed sucking on my tits for a good ten minutes while her friend had graduated from slit sucking and was now licking her way around my bumhole.

To give her a better view of my tight arse I knelt over on all fours and shook my rump back and forth. It was at this point that I noticed her friend reaching into her backpack. She pulled out a huge strap-on cock and began to fasten it around her waist. Apparently these girls were out to fuck like rabbits today and I just happened to be on the secluded patch of beach that was to be the backdrop for their lesbian frolics.

"Fuck me!" I moaned, feeling two hands wrap around my waist and a big plastic prick penetrate my arse. After a few solid pumps the other girl crawled underneath me until we were squashed together like pancakes.

So there I was getting fucked in the arse by a sexy stranger while my cunt ground down onto the other girl as the pounding intensified. All of us were getting the orgasmic sensation of feeling hot pressure against our cunt and warm juice trickling down our legs. It was truly a perfect moment.

As I came one more time I decided to give my girls a little orgasmic release by sprawling them out in front of me, side by side, with their legs hiked behind their heads. There I poked the hell out of each pussy, filling them both up with fingers, toys and tongue while they wiggled and squirmed along the sand. Finally, each girl exploded with cum splashes that drenched my face.

I tongue bathed each slit clean before diving into the ocean with both Brazilian beauties by my side. Once cooled off, we started to dive into each other's slit once again, each of us anxious for round two!

SCRUFF JUSTICE!

MAYDAY... WE'RE OUT OF TISSUES... MAYDAY...

RATINGS: ★ CAMERON ★★ CLEGG ★★★ CABLE ★★★★ BALLS ★★★★★ BURNHAM

YOUNG HARLOTS FOREIGN EXCHANGE (HARMONY)

What fresh wank madness is this? Just as our balls have recharged, another padded envelope arrives bearing more Harmony horniness and our penises take another massive beating. Here cover cutie Henessy shows that while she only needs one 'n' in her name, she deffo needs two cocks in her nether parts. It's a searing DP from a girl who looks as though dicks wouldn't melt in her mouth. Michelle Moist puts in some work in a hot threesome, and blonde beauty Logan gets some length in holes both correct and wrong. Yes, the 'school' theme might be cornier than cream of sweetcorn soup with a cob of corn on top, with a dessert of popcorn, but our sore knobs don't lie, do they? ★★★★

JACK'S POV 16 (DIGITAL PLAYGROUND)

Take your mind off the fact that Cameron and his goons are cutting your grumble budget by 80% and tweak one off to the latest superb instalment of POV poking from our friends at Digital Playground. McKenzie Lee might look a bit weird and surgical these days, but you can't argue with the bumming she gets here. Raven Alexis was built for 'barely legal' activity, while Kasey Chase is so fresh-faced she must keep it in the fridge. Throw in ball-draining scenes courtesy of Kortney Kane and Chayse Evans and your ballbag will be emptier than the coalition's promises. ★★★★

ROUGH AND NASTY ATM WHORES (PUMPKIN MEDIA)

See, we don't normally review such scurrilous UK gonzo bongo on these sensitive, new man pages. But then, we don't get that much UK scud that features Michelle Thorne getting her backdoor kicked in. There are three other British tarts getting doinked in the wrong 'un as well but, sorry girls, our man milk was all meant for Miss Thorne. See, while it's a shame her *X-Factor* dream died, we're happy she returned to getting some dick in her instead. Better that than a shitty album we'd never play. Whereas we'll play this again. And have a wank. ★★★

WRITING: DAN GREENPEACE (twitter.com/dangreenpeace)

***Club*'s sartorial specialist is back with some tips on how to look hip and not like a hipster...**

We've been getting letters from American readers asking why we dedicate a column to bashing people? Then again we've also had interest from dyslexic paving stone enthusiasts. So let's not get it twisted, this is the only monthly column you need to gen up on the latest wardrobe essentials and this time Sasha's keeping that summer spirit alive by sporting a rather colourful tee by MHI (£29.99 available at *www.maharishistore.com*). Their latest AW10 collection is now available online so if you're bored of going cheap and buying winter coats from Zara that are spent after one season then I recommend you invest in some gear that you can revisit year after

year that's always well ahead of trend.

Speaking of winter essentials, having a Barbour jacket is no longer the garment of choice just for fox-baiting toffs, everyone should have at least one in the wardrobe. A jacket, not a fox, stupid. They're constantly updating their collections so have many more contemporary looks but all are loosely based on either their trademark quilted or wax looks. A recent collaboration with Japanese designer Tokihito Yoshida saw the launch of a new limited edition capsule collection dubbed To Ki To, which includes four or five incredible jackets. They're pricey but should last you a lifetime. If you get a wax finish (not intended to be a sexual pun) always take your jacket back to the Barbour store yearly to get it re-treated (To Ki To x Barbour from £400.00 *www.barbour.com*)

"A Barbour jacket is no longer the garment of choice just for fox-baiting toffs"

Collaborations still seem to be all the rage in the high street after Jil Sander's successful series of collections for Japanese giant Uniqlo and Kate Moss' collaboration with Top Shop. This time around it's the Swedish based chain H&M who just announced a collection designed by French fashion house Lanvin. Lucas Ossendrijver has been charged with designing the menswear, so at extremely affordable prices expect this collection to fly out of the door. Don't worry if you miss it the first time around, it's all about hype and restocks usually come in pretty quickly.

Not exactly 'high street' but the collaboration I'm most excited about is a celebration of the 60th Anniversary of the legendary comic strip Peanuts by Charles M. Schulz. The collection of polo shirts by Lacoste is inspired. Look out for limited edition variations of classic Peanuts characters like Woodstock, Snoopy and Charlie Brown frolicking around the trademark Lacoste croc. I'm personally grabbing them all when they're released. (From £70.00 available at *www.doverstreetmarket.com*)

Lastly, I may well be trading in the Blackberry for an iPhone after seeing what Italian designer Fendi brought to the table as part of their latest range. Usually known for their leather accessories much like Gucci or Louis Vuitton, Fendi have gone for a rubber iPhone 4 case in khaki and it's winking at me. LIFE WITH Linzi

didn't tell him the naughty bits though. I left him to work those out for himself!

Much more recently, I had a little sporting fun at a boxing evening, in aid of charity. First came a slap-up dinner, followed by ten bouts of boxing.

Actually, boxing doesn't do a lot for me. I can't see anything amazingly appealing about two men trying to beat the shit out of each other. The strangest thing about it was, after they finish trying to knock each other senseless, they seem to be the greatest of pals and walk off together with their arms around each other!

Wicked Way

My job for the evening was to present the trophies to the boxers. They all seemed like really nice young guys, especially the randy buggers known as the *All Stars*. One of them pinned me in a corner and tried, unsuccessfully, to have his wicked way with me. He had a good old grope, though! The cloakroom lady standing opposite was not amused!

The only other time I've been involved with boxing was for the BBC. My part was to flash my tits at the audience, while going round the ring between rounds with the round cards. Unfortunately, there was a knock-out in the second round, so I didn't get too much time to shake it all about – what a waste!

Anyway, the reason I was prompted to write my column this month with a sporting theme was all down to a guy called Andrew, from Manchester, who is a regular Club International reader and a regular writer of naughty letters to me. Three so far. He's into tennis, and, hopefully, the signed photos I've sent him have helped win him a match or two. In his last letter, he asked me how I kept so fit. Well, that's a tricky one – apart from the obvious answer!

I've been meaning to take up weight training, as it seems to be all the rage these days, not to mention the added advantage of all those muscley hemen at the gyms that I'd like to get my hands on.

I haven't had much luck so far. I had a business meeting the evening before my first introductory weight training session. The meeting went well, the champagne flowed, but the next day I was laid up with a hangover (never again!). My early-morning weight t session was forgotten t covered later that day – haven't been able to since!

BEFORE BEN

She might be better known as Mrs Ben Dover these days, but back in 1985, Linzi Drew was *Club*'s figurehead, posing and writing to her thousands of fans every month. All subsequent *Club* regular girls are walking in her very long shadow. And very long legs. And very lovely tits. And other parts too.

2

NON EVENT

We don't like to scoff at old porn mags, especially ours, but regular item 'Club Event' is a bit weak. It basically looks like a slightly upmarket version of a Razzle Romp, but minus the beans and custard. And the fun. That said, we wouldn't turn down an invite to party on stage with these six sorts.

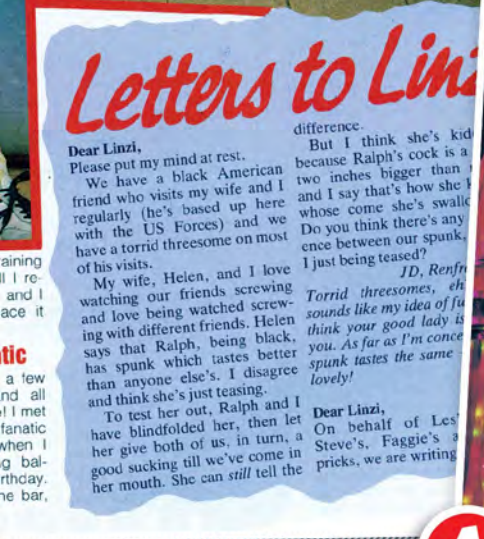
ONCE A CUNT...

Back in 1985, *Club* was interviewing a big name comic every issue. And, it being the 80's, many of them were unfunny and racist. We're referring to Jim Davidson, obviously, but also to the wretch that was Bernard Manning. His 'favourite gag' printed here involves Jews and a concentration camp. Stupid fat cunt.



Letters to Lini

Dear Linzi,
Please put my mind at rest.

We have a black American friend who visits my wife and I regularly (he's based up here with the US Forces) and we have a torrid threesome on most of his visits.

My wife, Helen, and I love watching our friends screwing and love being watched screwing with different friends. Helen says that Ralph, being black, has spunk which tastes better than anyone else's. I disagree and think she's just teasing.

To test her out, Ralph and I have blindfolded her, then let her give both of us, in turn, a good sucking till we've come in her mouth. She can *still* tell the difference.

But I think she's kid

KARI ON GIRLS!

Kari and Vicki get oh-so sticky...

We couldn't wait to speak to Victoria and Kari about the lezzie fuck-fest you see pictured here. We wanted all the juicy details straight from the source. Basically, we wanted them to talk dirty to us down the phone. And then the photographer dropped the bombshell that neither of them can speak a word of English beyond 'hello' and 'please'.

Damn these sexy Eastern Europeans and their Sapphic ways! So, here's what we think they would have said:

"Hello sexy *Club* editor, we just had a lovely lesbian time fingering each other's holes and licking each other's pussy. We both came lots and lots, and sucked plenty of tits too. But it really would have been better if you'd come and joined us. As much as we both like cunt, it's not the same as having a dick. Even a strap-on doesn't cut it next to a real-life cock. We missed having balls to suck and spunk to swallow as well. But we really wanted the editor to come, we hear his jizz tastes of rainbows, unicorns and popping candy."

Yes, that's they'd have said. ♣

VICTORIA & KARI

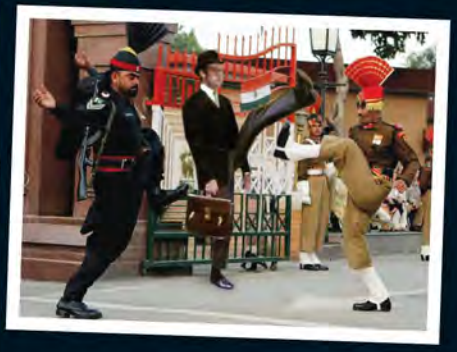
What our well-placed moles are telling us this month...

Down The Wire

All Stand – Except Juror No.5's Plonker

Pragmatic judge Mary Beth Sharp recently engaged in some very straight talking at Auckland District Court, New Zealand before dismissing an elderly male juror from a trial involving sexual abuse. The man had disclosed in response to Judge Sharpe's questions that he had been wearing a condom under his clothes in the jury box because the testimony was making him "monumentally aroused".

Military Silly Walks On Flashpoint Border Injure Troops



A nightly ceremony on the India-Pakistan border at Wagah Crossing, which has its roots in pomp, macho posturing, and what can only be compared to Monty Python style 'silly walks', with troops on both sides performing complicated boot-stomping manoeuvres to reassure their respective nations that they are protecting it from the other has run into trouble.

Recent reports from both countries reveal that the bonkers high-kicking parades have become much more subdued of late since so many of the soldiers have reported repetitive strain knee injuries due to all the exaggerated prancing.

Rubbish Robbery

Fifty-two-year-old Scot Davis has been charged with robbing the All In The Family bar in Des Moines, Iowa. Davis, a contractor who is friends with the bartender there, one Gladys York, had spent the evening at the bar and passed out a few business cards to drum up trade before leaving.

A few minutes later Davis returned, undisguised, demanding money and pointing a 22-calibre rifle. Recalled Gladys: "I said 'Scot – what the fuck?'" At which juncture Davis seemed to realise for the first time that his identity was known to those he was robbing and that his mad-arse plan was doomed. He lowered the rifle and left.

Announcing that Davis had been apprehended, a Des Moines police department spokesman commented to reporters: "This is not exactly the hardest case our detectives have ever had to investigate."

Indestructible Son Of The Soil

Apparently indestructible 58-year-old British farm worker Mick Wilary has been hospitalised for the umpteenth time – on this occasion after farm machinery crushed both his legs. In the past, agriculture's answer to Captain Scarlet and Highlander has also broken his ankles twice, cracked his ribs and had a finger violently severed from his hand. He has also had his skull split open, his collarbone snapped, his remaining fingers broken, and been stabbed. In addition he has sustained fairly regular kickings from the cattle he works with. What a man.

Busted Drug Lord Exposed As Drug Lady

Feared Jamaican drug lord Christopher 'Dudus' Coke has been busted and extradited to New York City after he was picked up wearing women's clothing and a ridiculous seventies-style Afro wig which was far too small for his head. Also found among his accoutrements was a lovely pink wig in case he felt like a change. The Jamaica Observer has reported that Coke, the mere mention of whose name was previously sufficient to scare grown men into permanent hiding, wet his knickers when he was arrested.

Meantime in Cape Town, South African narcotics giant Fadwaan 'Fat' Murphy, addressing those present at his bail hearing, disclosed under oath that he was born a hermaphrodite and consequently also goes by a second identity as 'Hilary'. The admission was forthcoming after officers described how, when arrested, Murphy had been found to be wearing a strap-on knob. Nevertheless, 'Fat' told the jury, he demanded to be treated as a man. "I look like a man," he said, hoping to draw attention away from his congenitally messed-up genitalia. "I talk like a man. I am a man." ♣
